REQUEST FOR CERTIFICATE OF CORRECTION OF U.S. PATENT AND  
TRADEMARK OFFICE MISTAKES UNDER 37 C.F.R. §1.322

Sir:

It appears that when the above-cited case was printed as a patent by the U.S. Patent and Trademark Office printer, a few typographical errors occurred in the printing.

Specifically, in column 2, line 23, after '4', delete "shown" and insert --show--. Evidence supporting this correction can be found in the application which was filed with the U.S. Patent and Trademark Office on June 5, 1997, page 1, line 20.

Also, in column 5, line 28, Claim 2, after 'claim', delete "1" and insert --18--. Evidence supporting this correction can be found in the Amendment which was filed with the U.S. Patent and Trademark Office on December 3, 1998, page 2, amendment to line 2 of Claim 12.

Since the mistakes noted herein have been made by the U.S. Patent and Trademark Office, it is believed that no fee is required to file this Request for Certificate of Correction. It is respectfully requested that a Certificate of Correction be issued in the above-cited case correcting these errors at an early date.

Please find enclosed herewith one completed Form PTO-1050, Certificate of Correction, for U.S. Patent No. 5,916,389, containing the requested corrections.

Respectfully submitted,
